PRESBYTERIAN CHURCH - ROSWELL, GEORGIA

Organized in 1839 by the Rev. Nathaniel A. Pratt with fifteen charter members. The church building, designed by Willis Ball and completed in 1840, was planned as the center of Roswell. It remains today an almost perfect example of Doric architecture.

Dear Martha -
Went Shopping in this little Village and lunch in a quaint little inn. Wednesday the temp was 76°. Will miss Church so much this Christmas
Love M.L.T.
